NOTE FOR FILE and OLC REGISTRY

HSCA Files on Martin Luther King (IPD F 79-0846 COMMON GROUND)

After discussion with IPD Appeals, the HSCA files on Martin Luther King are being returned to Records Retention.

It has been determined in correspondence exchanged with COMMON GROUND (Glass/Raymond) that they are negotiating reproduction costs on material already released on this subject (Weisberg request). There has been no mention made of the HSCA files

In addition, if there is no response by 20 April on the Weisberg material, the request will be cancelled.
